**FOR AN EVENING OF
REMEMBRANCE.**

Families coping with all types of perinatal loss are invited to gather for support and community. You will have an opportunity to decorate a luminary bag in honor of your loss, followed by a short lighting ceremony. Children are welcome and we will have art and music therapists available to engage guests. There will be light appetizers, favors, and time to connect with others.

We are also excited to be hosting the dedication of the new Children's Memory Garden, made possible by **JASPER'S HEART.**
