Shower of Support

In preparation for Pregnancy and Infant Loss Remembrance Month in October, we are holding our annual Baby Loss Shower of Support. Help us serve families that face loss over the next year by purchasing a gift from our shower registry in honor of someone you love.

All gifts are used directly by families who have, or are currently experiencing pregnancy or infant loss. Items are made available to Wentworth-Douglass Hospital patients, Wentworth Health Partners patients, and any persons participating in support groups or activities, regardless of care providers.

We are so grateful for your support!
